PLEASE READ CAREFULLY BEFORE SIGNING

1. NO patient will be seen without a current physician's order. (No exceptions.)
2. **Cancellation and Attendance Policy:** Please refer to separate document.
3. **Your child's therapy is a serious commitment between you and his/her therapist.** Helping Hands, Inc. requires consistent attendance to maximize your child's progress. We reserve the right to terminate therapy in the event that appointments are not attended as scheduled, or if your bill is not paid in a timely manner.
4. **If Helping Hands, Inc. DOES NOT have a contract with your insurance company**, payment is due at the time services are rendered. All documentation needed for you to file a claim with your insurance company will be provided to you upon request.
5. **If Helping Hands, Inc. DOES have a contract with your insurance company**, we will submit your claim to your insurance company. It has become impossible, however, for our staff to be familiar with the separate requirements, and keep up with changes, of each individual or group health care plan. If you are, or you become a member of any health care plan, *it is your responsibility to know what your health care plan will cover and to abide by its rules regarding services in our office as well as referrals, preauthorization's, etc. If you have questions about what your health care plan will and will not cover, you need to contact your plan directly. You are responsible for making your co-payment/deductible at every visit.* Please note that it takes **at least one week** to generate a referral or preauthorization. You are responsible for notifying us of any changes regarding your insurance coverage. We are not responsible for obtaining preauthorization for therapy services if we are not informed of current insurance coverage, and you are responsible for any non-covered and/or denied charges incurred on your child's behalf.
6. If you are a Tricare Prime member, you are responsible for ensuring that all required referrals are submitted to Tricare by your primary care manager (PCM) and corresponding authorization is received by our office. No services will be rendered without prior authorization. The services listed on the authorization will be the **ONLY** services rendered. You may not request additional services be rendered as they will not be covered by Tricare.
7. You will be billed a \$25.00* fee for each check returned by the bank.
8. In the event that an account 60 days or more delinquent is taken to court, you are responsible for all collection and/or attorney fees incurred by Helping Hands, Inc.
9. All co-payments/deductible payments must be made prior to any services being rendered.
10. Once services are rendered, private pay rate (fees) are non-refundable. We are a fee for service provider.

**Our office offers automatic payment plan service for co-payments and deductibles. If you are interested in this service, please contact our office for enrollment information.

I authorize HELPING HANDS, INC. to apply for benefits on my behalf for covered services rendered. I request payment to be made directly to HELPING HANDS, INC. I certify that the information I have provided with regard to my insurance coverage is correct, and further authorize the release of any necessary information, including medical information for any related claim, to Helping Hands, Inc.* billing agent and/or my insurance carrier. I permit a copy of this authorization to be used in place of the original. This authorization may be revoked in writing at any time by either me or my insurance carrier.

I have read the above policy and agree to abide by it.

ATTENDANCE/CANCELLATION POLICY

- All cancellations **must** be made 24 hours prior to your appointment.
- Appointments that are not cancelled with a 24-hour notice are subject to a \$50.00 cancellation fee. If parents/guardians reschedule their child's appointment, we waive this \$50.00 fee.
- Appointments that are not attended by the patient with no notification to the front office ("No call, no show" appointments) are subject to a \$50.00 fee. **We do not waive this fee.**

Please Note: When you are cancelling your child's appointment, you must provide notification to the front office. Our therapists are not responsible for communicating their clients' cancellations, scheduling conflicts, and vacation info to the front office. Parents can notify the front office at check-in, check-out, via phone (540-657-1423), via email (office@hhithrapy.com), or through the Contact Us inquiry form on our website (www.hhithrapy.com). Failure to notify the front office can result in your child's appointment being labeled as a "No Call, No Show," and we do not waive that \$50 fee; so please be sure to notify the front office when your child will not be able to attend their therapy session(s).

- All cancellation and no-show fees will be billed directly to you. These fees must be paid before or at the time of your child's next appointment or the child will NOT be seen. Neither your insurance company nor your flexible spending account will cover these fees.
- Our office reserves the right to remove from the schedule a client who is not regularly attending therapy or a client who continuously arrives late.
 - Two cancellations of your child's regularly scheduled appointment will result in your child being removed from the schedule effective immediately. The child will then be placed on a waiting list if requested. (If there are extenuating circumstances preventing you from bringing your child to their appointment, please contact the front office to discuss immediately to avoid removal from the schedule.)
 - Two, "No call/No show" appointments will result in your child being removed from the schedule effective immediately. *(Please note, you must notify the front office if your child will not be here. Therapists are not responsible for communicating that information to the front office staff.)*
- Our office will make every effort to provide therapy to your child in circumstances where clients are late checking in. If you arrive late to your child's appointment, the session will conclude at its regularly scheduled end time; however, if you arrive more than 30 minutes late, your child will not be seen and you will be required to reschedule the appointment or pay the cancellation fee of \$50.00.
- We require that an adult be ON SITE during the full length of their child's therapy session. If you are not able to remain on the premises, we require you to reschedule the appointment.

By signing below, I acknowledge receipt of this attendance & cancellation policy and agree to the terms stipulated above.

It is the patients'/parents' responsibility to stay informed as to the status of your coverage, and any changes to your coverage that may occur.

I, _____, have read and understand that Helping Hands, Inc. does not participate with fee-for-service Medicaid.

I, _____, have read and understand the Helping Hands, Inc. Medicaid MCO Policy, and that I will be responsible for any balance owed for services rendered should my child's Medicaid MCO coverage change to a non-participating MCO or fee-for-service Medicaid.

INFORMED CONSENT FOR SERVICE FEES

Evaluation: A typical Occupational Therapy evaluation consists of a standardized assessment of fine and gross motor skills, visual motor coordination, bilateral coordination, and a sensory integration evaluation. We assess all patients in all areas and do not segment out our assessments regardless of insurance coverage. Any services deemed excluded from your insurance plan may be billed to the patient.

Initial

Treatment: I voluntarily consent to treatment/services that are deemed necessary by my referring physician and my occupational therapist. I understand that it is this practice's intent to educate me on every process during my treatment program. I understand that therapy will be rendered for set duration and frequency leading to discharge. I understand that "hands-on" manual or exercise techniques may be used to retrain, recruit, and restore improved postural alignment with treatment, and that if I do not completely understand the process of my treatment, it is my responsibility to obtain a clearer understanding of what the therapist's objectives and outcomes are, and how she/he is trying to achieve them. I also realize that no guarantees have been made to me as to the results of these services at Helping Hands, Inc. Helping Hands, Inc. will assign patients to a "Primary Therapist" but patients may be seen by any of our therapists as we are a rehabilitative facility and all therapists are licensed and trained to work with all patients.

Initial

Observation: All services provided at Helping Hands, Inc. may be recorded or observed. These observations are restricted to individuals who are associated with Helping Hands, Inc., and have completed HIPAA training. Non-identifying information may be used for administrative purposes.
